The New Brunswick Arts Board is an arm's length arts funding agency with a legislated mandate to facilitate and promote the creation of art as well as administering funding programs for professional artists in the province. Funding for these programs is provided through the province's Arts Development Trust Fund and by the Department of Tourism, Heritage and Culture. The department has also announced additional funding to the Artist in Residence program, as a response to the recommendations from the report of the Premier's Task Force on the Status of the Artist.
